# All in a day

## Pre-reading questions

1. Who is lying down and who is sitting up?
2. What happens next?

A new day. Time to wake up.

Who is more tired, Mika or Chad?  
What sounds do you hear when you wake up?

Brush, brush, brush my teeth.  
Ear-ly in the mor-ning.  
Merrily, merrily, merrily, merrily  
Why can't I stop yawning!

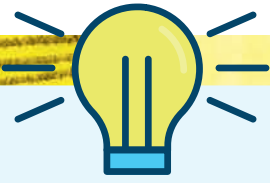

(sung to the tune of Row, Row, Row Your Boat)

Why is toothpaste flying out of the tube?  
Act out how the toothpaste comes out the tube.

Not too much, Tumi!

Wash your hands. Scrub-a-dub.

How do we know if it is daytime or nighttime?

This soap smells so nice!

Describe how you wash your hands.  
Let's pretend we are washing our hands.

Not too much, Azra!

Oh dear! What a sneeze!  
Can you use a tissue, please!

How do we know it was a loud sneeze?

Let's pretend to sneeze.

Bless you, Chad.

Put your shoes on. Tie your laces!

Remember, you can ask for help, Mika.

At the end of the day, it is time to sleep.

Time to put your phone down, Tumi.

Good night. Sleep tight!

What do you think Chad will wish for?

Star light, star bright,  
What will be my wish tonight?
